

# COVID-19 Screening Process and Visitation Guidelines

The safety of our patients, staff and the community remain our priority. We appreciate your cooperation in following our COVID-19 visitation policy outlined below.

## Screening Process

You will be asked to provide your name and contact information.

### NO VISITING IF:

Temperature will be taken.	Greater than 100 degrees
Have you had close contact with someone with a COVID-19 diagnosis in the last 14 days?	Yes
Have you had a positive COVID-19 diagnosis (last 10-days)?	Yes
Are you experiencing new or unexplained cough or difficulty breathing?	Yes
Are you experiencing two or more of the following new or unexplained symptoms: sore throat, muscle aches, headache, chills or new loss of taste or smell?	Yes

## Visitor Guidelines

 <b>Designated hours</b>	<b>Visitors <u>must be</u> 18+ years old</b>	 <b>Visitors will be screened upon arrival</b>
<b>One visitor per patient, per day</b>	<b>Visitors restricted to patient room only</b>	<b>No hospital re-entry on the same day</b>
 <b>Hospital will provide visitors with a mask</b>	 <b>Visitors <u>must</u> wear mask at all times</b>	 <b>Visitors <u>must</u> wash hands before entering and exiting room</b>
 <b>Visitors <u>must</u> adhere to 6-foot social distancing</b>	 <b>No eating or drinking permitted in patient room</b>	<b>Visitors <u>NOT PERMITTED</u>:</b> - COVID-19 diagnosis in the last 10 days - Patients awaiting COVID-19 test results - COVID-19 recovery patients

*In some cases, you may be screened by our partner hospital at the point of entry. When you arrive at our facility, we will validate their screen.*
